Minute to Win It Challenge

“Mega Bubble”

- 1) When the clock starts, player may grab bubble wand and begin blowing bubbles from behind start line, 15' from hoop.
- 2) Player may only use breath to propel bubble.
- 3) Player may not touch the end hoop.
- 4) To complete the game, an un-popped bubble must be created behind the foul line, then blown through the end hoop within the 60-second time limit.
